

The Alumni Direito. UnB Association is an alumni organization from the Faculty of Law at the University of Brasilia. We exist to encourage connections between alumni and affiliates to the University and Faculty.

Our job is realizing projects to help the development the University quality in different fields. Together, it's possible for engaging in initiatives nearing the students with the professional market, promoting workshops and conferences, supporting scholarships to the students have international experiences. We have proud and are passionate about what we do and we understand that we can to be more, working together to realize the Faculty of our dreams.

ASAS is an Alumni Direito.UnB project engaged in encouraging internationals connections between our Faculty and the globe.

We have focused on **create and foster** these relationships, through events, mentorship, education travels e others **collaborations.** The International Curse to the Exchange Students is part of these initiatives. On one hand, we'd like to introduce an overview of Brazilian and judicial and political system and the other hand we'd like **to stimulate** the relationship between exchange students with **community**, city and country.

Course Description and Objectives

This course is designed to introduce exchange students a global overview of the Brazilian legal and political system. In this context, we hope to help in the comprehension of the classes and the general scenario of the country.

The course aims to provide the analytical tools needed to understand judiciary concepts such as (i) legislative process, (ii) electoral procedures, (iii) organization of the political powers. On the other hand, we will relate the fundamental topics to current debates about ordinary Brazilian problems, like inequality, corruption and policy concerns etc. Tothis goal, we will cover a number of topics related to the Brazilian History Brazilian Constitution and Institutional power.

The class will include lectures, small group studies, case-study analysis, group presentations, and field trips. Course readings from the books or papers will be timely provided. The nature of the class will be interactive as students are expected to read the material prior to class and to contribute to the class discussions or engage in formal and informal debates. The field trips to three Brazilian important and historical places will be foster some contextualization to the classes.
